

THE STYLE COACH

Confidence In Style

10 Jan 2022

Week 9: Part 1

Accessories

Questions to consider:

- How can your style personality be reflected in your choice of accessories?
- What is your favourite accessory that you currently own and why?
- What accessories have you bought in the past that you regretted? Why?
- Are your accessories in proportion with your frame?
- Where do you want the attention to go?
- How can you use accessories to draw attention there?
