

# Watercolour

22nd January 2024

## Atmosphere and Mood

This series deals with the feel of your watercolour.

The atmosphere of your painting can give a certain feeling or set a mood. Sometimes we can transport the viewer using fundamentals like harmony, contrast, balance, movement, juxtapositions etc.

We arrange the scene as though to create a desired effect. Like the fisherman uses different bait for different fish...we must use our craft to procure the right feel and a desired effect.

.2b , HB, 2h pencil- eraser, pencil eraser, knitting needle shall be demonstrating in pencil

Standard watercolours and neutral tint.

- Your preferred paper
